## EXPERIENCE

### **Writing Research Assistant to Catina Bacote— Asheville, North Carolina**

September 2017 to Present

Research and organize documents, scan personal files, schedule monthly meetings, and anticipate requests. Communicate with organizations, libraries, and other researchers. Curate information from online databases and form relationships with people through email correspondence. Work efficiently and effectively with deadlines.

### **Editor-in-Chief & Founder of *Reverb*— Warren Wilson College**

August 2015 to December 2016 & January 2018 to Present

Manage and curate a bi-annual undergraduate literary journal that spotlights two students, one artist and one writer, whose respective portfolios work in conversation across mediums. Oversee a staff of two editors and one design assistant. Schedule and facilitate editorial meetings and calendar goals. Plan bi-annual magazine release event and work closely with local publishers. Work with website design (Squarespace), InDesign, and Adobe Acrobat.

### **Tractor Operator & Landscaper — Warren Wilson College**

January 2017 to Present

Operate and maintain heavy machinery, including New Holland tractors and a Caterpillar backhoe. Strategize and collaborate with other operators and landscapers to complete a project efficiently and safely. Troubleshoot and work independently on job sites, as well as in small groups. Solve problems through group collaboration and independent conceptualization.

### **Peer Writing Assistant & Fellow — Warren Wilson College**

August 2015 to December 2016

Facilitated one-on-one, individualized writing consultations with students in the College's Writing Studio. Provided written and verbal feedback for academic and personal writing assignments. Helped students with all areas of the writing process, including editing, brainstorming, and revising. Honed professional skills in proofreading & editing.

### **Editor for *Peal* — Warren Wilson College**

August 2015 to December 2016

Edited and organized all submissions sent to *Peal*, the undergraduate literary magazine at Warren Wilson College. Designed and formatted the publication using InDesign and worked closely with other editors and designers.
