The weekly rate will apply for any part of the week; the charges will not be prorated by any days not in residence. Rate is based on double occupancy. I understand and agree that the charges will be placed on my student account and I will make payment to the Accounting Office by June 15. Payment may be made in billing on CampusWeb, at the Accounting Window or by mail to the Accounting Office at the address below. Any balance due after June 15 will result in a hold on the account which will prevent registration changes, transcript/diploma requests, and check in for the Fall semester. I understand that I must officially check out when I am moving out or I will be charged a \$50 fee. I will be responsible to pay any fees for damages that occur while I am a resident no matter who causes the damage to the room to which I am assigned. I understand I may be relocated during my stay to other on campus housing.

*Internships include Bonner Scholars, and Intern housing must be approved by the Career Development Center or the Center for Community Engagement; obtain signature here:
