| HomeLight Scholarship                                 | HomeLight is a small team of talented people in San Francisco looking to change the face of real estate. We use actual sales data and client reviews to find the best real estate agents for homeowners across the United States. We want to support like-minded students who share our passion for improving the world of real estate. That's why we're offering a \$1,000 scholarship to talented students who hold an interest in homes and homeownership. If you're interested in designing homes, building homes, placing people in homes, combating homelessness, or studying the housing market, we want to help fund your education. Any legal U.S. resident in high school or college who will be attending an accredited university or college in Fall 2020 is eligible to apply. To apply, please submit a short piece of writing, that includes the following: Why are you interested in real estate?, How will your career help more people find their dream home?, and What impact have you had on homes or homelessness in your community? More info on website | Any legal U.S. resident in high school or college who will be attending an accredited university or college in Fall 2020 is eligible to apply.   | <a href="https://www.homelight.com/scholarship/">https://www.homelight.com/scholarship/</a>   | Spring: April 15, 2021<br>Fall: November 15, 2020                                  |

| WiseGeek Mental Health Well-Being Scholarship | College students often face great stress. The transition to adulthood is a time of significant change and can challenge a student's emotional health and well-being. Whether it's the pressure to make the honor roll or just fit in with a friend group, it's important to give students the support and guidance they need to cope with the stress of college. This is especially important given the global pandemic which has added a new set of challenges for college students to confront. The WiseGeek Mental Health Well-Being Scholarship is meant to provide awareness to mental health challenges and assist those who have had to face those issues with a \$500 award to help pay their tuition.   | Undergraduates   | <a href="https://www.wisegeek.com/mental-health-wellbeing-scholarship.htm">https://www.wisegeek.com/mental-health-wellbeing-scholarship.htm</a> | December 31, 2020. |
| Women in Computing Dotcom-Monitor Scholarship | The Dotcom-Monitor Women in Computing Scholarship is open to female students currently enrolled as full-time undergraduate students at an accredited college or university in the U.S. or Canada for the 2019-2020 academic year. The scholarship is \$1000. Applicants should have either already declared their major or have completed at least one academic year in computer science, computer engineering, or closely related technical field. Submit essays answering the following three questions. One essay per question—max 500 words per essay. Tell us about yourself. What is your technology background? What appeals to you about becoming a woman in STEM? What kind of power does the degree you seek hold? How does it affect our world today, and how do you plan to use your degree to further advance the field?, and Why do you think women should pursue computing? What can women provide to this field? How would you encourage women to join this field? | Undergraduates   | <a href="https://www.loadview-testing.com/scholarship/">https://www.loadview-testing.com/scholarship/</a>                                       | April 1, 2021.     |
| Worthy Women's Scholarship                    | This scholarship is intended for women who have decided to enroll in school to pursue their passions and open up more doors for themselves and others. You must be enrolled in a continuing education professional studies program and be a female age 30 or older. The first winner will win \$2500, the second winner will win \$1500 and the last winner will win a \$1000 scholarship. To apply, please answer each of the following three questions in 300-500 words: "How will you change the world? Describe a change you want to make in the world. How do you plan to make it and how will this scholarship help you?", "What do you hope to achieve in life? Describe 3 achievements that you either have made or plan to make in life. Why are/were these important to you? What do/did you need to do to achieve them?", and "Why have you chosen this path? Tell us why is the degree you have chosen to pursue is important to you?"                                 | Must be a female enrolled in a continuing education professional studies program | <a href="https://www.worthy.com/about/scholarship">https://www.worthy.com/about/scholarship</a>   | December 1, 2020.  |
